building short term teams for long term impact

2008 CONFERENCE
SEPTEMBER 26-27 • WATERLOO, ONTARIO

Serving With Eyes Wide Open

International
Teams 

KEYNOTE SPEAKER: AUTHOR DAVID A. LIVERMORE

Join International Teams at **Go2Learn 2008**, a life-changing leadership seminar focused on building short term mission teams for long term impact on the world.

We have an enthusiastic and experienced panel of speakers lined up to provide guidance, training, and practical advice on all of the crucial elements of a successful short term mission experience:

- selecting your site & raising the necessary funds
- building your team & developing disciples
- arranging or providing necessary cross-cultural training
- integrating the mission experience into the lives & churches of the participants

We are excited to feature **David Livermore** as this year's keynote speaker. David is a widely published author and co-founder of Intersect, a ministry that provides leadership training and consulting to emerging leaders in ministries around the world.
